WHAT BETTER WAY TO START YOUR PARK LANE THAN IN THE COMPANY OF 'JAMES BOND GIRL' JONI FLYNN?

Feeling Extra-Naughty & Black Stockinged For Park Lane Readers Only!

Park Lane, as regular Park Laners know only too well, believes in getting straight on with the job in hand. And what better way to start this seventh sensational issue than with exclusive pictures of top international model and 'James Bond' girl Joni Flynn?
Here's a star to carry you to seventh heaven at a stroke especially when, by special request of Park Lane's picturemaker, she dons black stockings to make this showcase that much more inviting.
Yes, that's what *Park Lane* is all about: it's not simply a matter of netting the world's most gorgeous girls regardless of expense, but also persuading them to do something that bit more sexciting for the jaded sophisticates who stroll through *Park Lane*.
And of course it's also little wonder that Calendar girl Joni has been selected to star in *Park Lane's* own 1987 Calendar.

NOT SO MUCH STREET LEVEL IN PARK LANE THIS TIME AS FLOOR-LEVEL!

But It's Just As Much Fun Indoors With Secretary Glenda, Even On A Monday Morning!

FLOOR-LEVEL IN PARK LANE!

One of the sauciest and most piquant novelties in stunning new-look *Park Lane* has been our 'Street Level' slot where our cheeky photographers station themselves at ground level in Park Lane (they can be real guttersnipes, our picturetakers) and grab cheeky, sneak-a-peek 'up the skirt' snaps of passing fancies (we *did* say fancies!)...

But it can get very chilly on winter's days waiting for the right talent in a summer-style skirt to pass overhead while you're down a drainhole or pretending to mend the mains. And so this month lucky Park Laners find themselves enjoying the central heating below Secretary Glenda's desk in an office off Park Lane.

And even though it was a Monday morning following a wild weekend for desk-top turn-on Glenda (hence the shades), when all she could really manage was to catch up on the kinky news inside her favourite new Sunday paper, *Sunday Sport*, she was still more than willing to deliver delicious views for our carpet-crawling cameraman. Especially after he had told her how she could win £2000 in the new 'Sexy Secretary' Contest organised by our cheese-cake loving chums at 95p *Parade* Magazine.

After she had pulled herself together later that Monday, game-for-anything Glenda set out to parade her sexy secretarial talents for *Parade*. And if after getting this sniff of Glenda you fancy an erotic encore from her and other licentious London secretaries, hand the slip below to your newsagent to remind him to *reserve Parade* for you.

YES! I'D LIKE TO SEE MORE OF LONDON'S SEXIEST SECRETARIES AIRING THEIR TALENTS!

So please reserve the next issue of *Parade* for me, Mr Newsagent, and every two weeks thereafter.
I am 18 years or over.

SO WHAT'S PARK LANE EX-DEPUTY EDITOR UP TO NOWADAYS?

Park Lane Nets Lovely Layabout Zeta Feeling Horny In A Hammock!

Park Lane always likes to keep in touch with ex-employees especially when they're as lovely as our ex-Deputy Editor and video star Zeta.

And we were quite surprised to come across blonde bombshell Zeta wiling the day away in a hammock, proving that idle hands can be devilish as she checks to see her sexiest bits are still as responsive to the right touch as ever.

So come and lie awhile with Zeta as she feels all hot and horny in her net. But this has to be a brief encounter because Zeta rarely finds time to play now she puts together fortnightly *Parade* all on her own-io.

And that's between all her video assignments. Yes, Zeta creates many a moving role (and boy, *how* she can move) in home movies, and *Park Lane* can strongly recommend her latest ZETA ON VIDEO production, available to Park Laners at a special discount price of only £15.95 postpaid.

Simply write to Zeta's Video Offer at Box 171, London E.11 if you're sure your telly can take it!

More Pages Torn From the Secret Diary Of Our Randy Park Lane Rogue With More Money Than Sense, & More Sex Than He Can Handle!

THE DIARY OF A PARK LANE RAKE

Every issue of new-look Park Lane brings you a regular helping from the secret daily diary of Park Lane resident, Hugh Mortimor, an old-time West Ender who has never had to earn a penny in his life, and does his best to maintain the old high standards of lechery and moneywasting for which he and his sort have become justly famous.

This month, horny layabout Hugh (sometimes known as Hugo when the mood takes him) finds himself getting involved with another passing fancy who crosses his perfumed path near Park Lane. But this is a truly exceptional woman, and when he tries to combine her charms with coping with the kinky demands of his regular girlfriend, horny Huge finds himself in deep trouble...

One is never too blasé to not be surprised. I was having an early evening *Gin & French* in the long vestibule of *The Dorchester* when I noticed a blonde with large, luminous grey eyes sitting opposite me, some yards away, in a comfortable highish chair against the far wall.

She was looking at me with that fixed expression one gets when one's mind is on other things and one's eyes see but do not receive objects in front of them. She wasn't staring; rather, she was in a world of her own.

I noticed how her bleached blonde hair had been skillfully ashened to match her eyes, and how she wore a simple, but expensive dove grey costume with a blouse underneath the jacket covering a white shirt with a tunic collar, Mao-style, and cuffs that were double and studded with chunky square links.

I sipped my *G & F* slowly, taking in the vista completely and noticing too that the sartorial magnet of her ensemble was a red neckerchief knotted at the side of the neck. Her fingers were bare of rings, and at a guess I put her at thirtyish.

The waiter came over with the silver tray bearing tea and a tray of sandwiches. She nodded absent-mindedly, shook her head as his hand paused over the sugar dish, but nodded vigorously when he lifted the milk jug.

She was perfectly at ease but, rather like someone who speaks excellent English with a foreign acent, rather suspect in my book: someone to the manner born would have had a brief quip and a smile, the manners dinned in them by Nannies of putting everybody they met, in a lower social position, completely at their ease at all times.

The waiter left, and I knew she realised I was looking at her. She didn't shift her neck, but a furtive recognition clouded her eyes for a second, as she fought to regain her previous detached composure.

She looked away to pick up the saucer and cup, raise it high up to her chin, crossing her legs surprisingly high-kneed so that her tailor grey skirt rushed up to her thighs.

It was my turn to look at her goggle-eyed with stupefaction. She was not wearing a civilised woman's undergarments, but white suspenders, holding her seamless stockings. She sat sipping her tea, nearly giving me a full pube show, as she sensually brushed one toe against the side of her other leg.

I beckoned the porter I know as he passed with a pile of ►

'Celia made love with a professional finesse'

'She had re orgasms– I'm too o and experienc to be take in by the phoney variety'

well-labelled expensive cases. "Who's she?" I whispered.

"Dunno, Mr. Mortimer. She's a 'mystery'. Doesn't come here to pull blokes, or if she does, doesn't do it that anyone would notice. Comes up mebbe every five or six weeks. Always sits there, takes a long time over her tea, then gets Johnny or me to call her a cab to Paddington. Always nicely dressed, she is. She's got a lovely white mink my Missus would go a bundle on."

My mystery lady seemed to be fighting for inward control. Confusion flickered now and again on her face, as if decision time had come *before* she was ready to make one. She lifted her head towards the porter's desk, and signalled for her bill. I looked at my watch. It was time to go to my club for a light supper followed by *Madeira* and snooker. I took one last look at her thighs, got up, and left.

Outside it was bucketing down: one of the rainiest days of our last miserable summer. Taxis were hopeless, it was the tail end of the rush house. I slipped the doorman £2 and got into my Rover just as the grey, sexy lady came out, hovering like a pretty bird, looking aghast at the rain, and consulting her watch.

I caught the doorman's eye, winked, and pointed. He understood, bent down; whispered rapidly in her ear for a moment. Then she looked at me and smiled.

"Thank you so much. It's awfully good of you to take me to Paddington," she said, with obvious relief. "Silly....I should have brought my mac, but, honestly, it's such a bind this warmer weather."

We made general conversation as I pulled up at the station's departure ramp. "Oh, fuck!" she said suddenly, in impeccable English. "They fucking well would, especially today!"

I followed her gaze. The badly chalked notice on BR's apology board was brief. *'Cancellations':* There were two. The semi-fast to Weston Super Mare, and the '125' to Truro, first stop Taunton.

"The next train is just before midnight," she said. "I may as well stay in town. Freddie will understand. He's the understanding sort."

"I think you could probably do with a half decent supper and a good bottle of wine. The *Great Western Hotel's* nearby. Their restaurant's not bad. Not bad at all. Care to join me? At least you won't have far to go for either a bed or a train, depending upon how you feel when you've eaten."

"Mmm. Makes sense. OK," she said. She was neither grateful nor guarded, taking the same matter of fact tone as mine.

I parked her case (dove grey, too) in the boot of my car, but she turned and frowned. "No. Could You bring it in?

‘I felt pleasantly randy, already’

‘Seeing the blue movie through had made me very randy’

I'm not arriving with the milk. There's no point. It's ridiculous. I'll get a room here."

But there wasn't one. The hotel was full. "Oh, damn. Your place, I suppose, after we've eaten?" she said, shrugging her shoulders, as if the question didn't beg itself in the first place and was therefore not worth arguing about.

We enjoyed our supper. What came over strongly was that she was an experienced lady. No talk of self. No asking about me. Topics were conventionally light and general, and completely neutral. I paid the bill and drove her to my flat high above the corner of Curzon Street and Park Lane.

"Do you want me to keep the full set on?" she asked, walking through the bathroom, her hands asking the question.

I had an instant uncontrollable erection. She was in virginal white, suspenders and briefs. She stood slowly massaging her boobs upwards, waiting for an answer.

"Just as you are!" I said, trying to keep the thick horniness out of my tone.

"Call me 'Celia'," she murmured as we slid into each other's bodies. "It'll do."

'Celia' made love with a professional finesse that had alarm bells ringing ever so gently in my mind. She had real orgasms - I'm too old and experienced to be taken in by the phoney variety - and was a responsive, hot blooded, partner. She wanted fucking, and said so. Crudely and direct to the point.

Yet, she wasn't a raver or an oddball. Here was one lady who knew exactly what she was doing as she clambered over me in the dawn breaking hours and whispered: "Time I did the work...", kissing my nipples and digging her nails into just the right nerves in my inside leg.

As we lay in bed having breakfast at eight she told me about herself. "I'm a vicar's wife. My husband is older, *much* older, and treats me with kindness and great love. In return I try and make him as happy as he makes me. But it's no use kidding each other. When it comes to physical love, or lust, I get no peace of mind until I come up to Town and do a bit of business or take part in sexy films."

"Blue Movies?" I asked, taken aback.

"So you watch them, too?"

"Got any samples?" I asked in reply.

"I'll send you some," she whispered. "But how about some more of the real thing?" She went down the middle of my chest, her tongue dabbing and teasing, until with a whoop of triumph she closed her teeth around my hammer and started sucking me...

Connie, my girlfriend, was fortunately far away. She is a friendly girl who is frequently frosty because she

PARK LANE'S PETE HEADS FOR THE COUNTRY!

Park Lane Magazine isn't just about townies having good raunchy times in the city. *Sometimes* a Park Laner has been known to go north of Watford, south of Guildford, west of Oxford or east of the Bank of England.
Like our Pete here for instance, who tells of his latest sexcursions to the green bits, where he entered into all sorts of cunt-ry, sorry, country pursuits...

My friend Mike invited me up to his north country home for the weekend. I hadn't been to that part of the country before, and the way Mike always talked about the hills, the fells and the streams I knew I just had to visit it.

Anyway, it looked like a blank weekend as far as my cock was concerned. All the 'goers' we both knew were for one reason or another 'out of town'.

'You'll love the local beer,' my mate told me. 'It's not like the gnat's piss you townies are used to down here.'

'What about crumpet?' I asked him.

'We could get lucky if there's a Hunt Ball,' he replied.

I had always thought they hunted foxes, not balls in that neck of the woods, but I just shrugged my shoulders and said nothing.

The journey up was very pleasant – even the motorway was breathtaking. When we turned off onto the ordinary roads, I couldn't get over how beautiful Britain really was.

'If only we had the climate,' I remarked. 'People wouldn't want to go abroad for their holidays.'

Mike, of course, agreed with me.

'Given a plentiful supply of cunt,' I breathed. 'I could certainly live in these parts.'

'Let's hope there's a Hunt Ball,' smiled Mike. 'They attract all the hot fannies for miles around.'

'I've got just the equipment to cope with that,' I laughed.

Mike's family made me very welcome. There was a language barrier at first, but once we had got used to each other's accents, we all got along fine.

'Fancy a few pints at the 'Coach & Horses?' my chum asked me.

Eager to sample the talked-about brew, I could hardly wait to get to the local. We took a short cut across a couple of fields.

'No problem about having a piss on the way home,' I laughed.

'Mind the cow shit!' warned Mike.

'How do you know where it is, in the dark?' I asked him.

'When you put your foot in it,' he laughed.

I managed to keep my trainers out of the mush and the 'Coach & Horses' suddenly loomed up before us.

I couldn't get over all the Range Rovers in the car park. There were a lot of green-wellied men and ageing horsey women in the cosy pub, but there were quite a few decent looking young birds as well. I thought I might be able to use my big-city charm on them.

The beer really was terrific. The first pint never touched the sides of my throat. The second made me feel just a little bit pissed.

'You two boys *will* volunteer, won't you?' A female voice, reasonably young and very pleasant, sounded in my ear. 'It's all in aid of charity.'

I turned round to see the owner of the voice. She was a statuesque redhead in her late twenties, heavy-busted and quite hefty in the backside.

She certainly gave me the impression she knew what a dick looked like. I felt a twitching down below.

'What is it?' I asked her. 'A sponsored jump? I'll do that anytime – provided it's not a parachute jump!'

The young woman gave a dutiful smile. I instantly

'This shouldn't take long,' grinned Amanda'

'Amanda skilfully coaxed it out of me'

longed to get my hands under her red sweater and my cock inside her tight, faded blue jeans.

'I know Mike will put his name down,' purred the redhead.

'What exactly is it, Amanda?' my mate asked.

Amanda. *Of course.* I was willing to bet there wasn't a Tracey or a Sharon for miles around.

'It's a fun run,' she smiled. She had large, flashing teeth inside an exciting mouth.

Mike fancied himself as a bit of a runner. He was really into jogging. His eyes lit up. 'When is it?' he asked.

'Tomorrow,' Amanda told him. 'It's up to Top Crag and back. The sponsors will give so much for each entrant who completes the course.'

I turned my back on the pair of them. Mike had pointed out Top Crag to me. It was just a little bit shorter than Everest and K2 - put together! I knew how much these people loved their fell races, but it certainly wasn't *my* scene. If I made Top Crag, I'd be the first one down - arse over tit.

'What about your friend?' I heard the redhead ask Mike.

'I'll watch,' I grinned. 'From here.'

As I ordered another round, I heard Amanda and Mike whispering and chuckling. If he was making a date with her, then I was going to form a crowd.

I wasn't prepared though for what Mike said to me in a low voice. Amanda's eyes twinkling as she listened in.

'It's like this, Dave,' he began. 'Amanda says she'll give you a hand job here and now, provided you enter in the Fun Run.'

'What!' I gasped, slopping precious ale all down my front.

Amanda put her clipboard under one arm and her right hand jiggled up and down meaningfully.

'I said...' Mike started.

'I know what you said,' I croaked, 'but does she mean it?'

'No hand job, no run,' Amanda whispered in my ear.

I looked all round me. Life was going on as usual. The three of us seemed to be in our own little oasis. I began to smile. Get wanked now - pay later. A hand job from Amanda would be very nice indeed. It would tide me over until we went hunting for balls or whatever.

'Here and now, you said?' I smiled at her.

'Not here,' laughed Amanda. 'I think its against the licensing laws or something. We'll go outside.'

'Hold my pint,' I said to Mike, handing him my pot.

'This shouldn't take long,' grinned Amanda.

'Don't bet on it,' I retorted.

When we got outside, Amanda took me by the hand. It was soft and warm and I experienced an erotic excitement flaring within me as I imagined what her hand would actually feel like on my dick.

She opened the rear door of a Range Rover. It wasn't

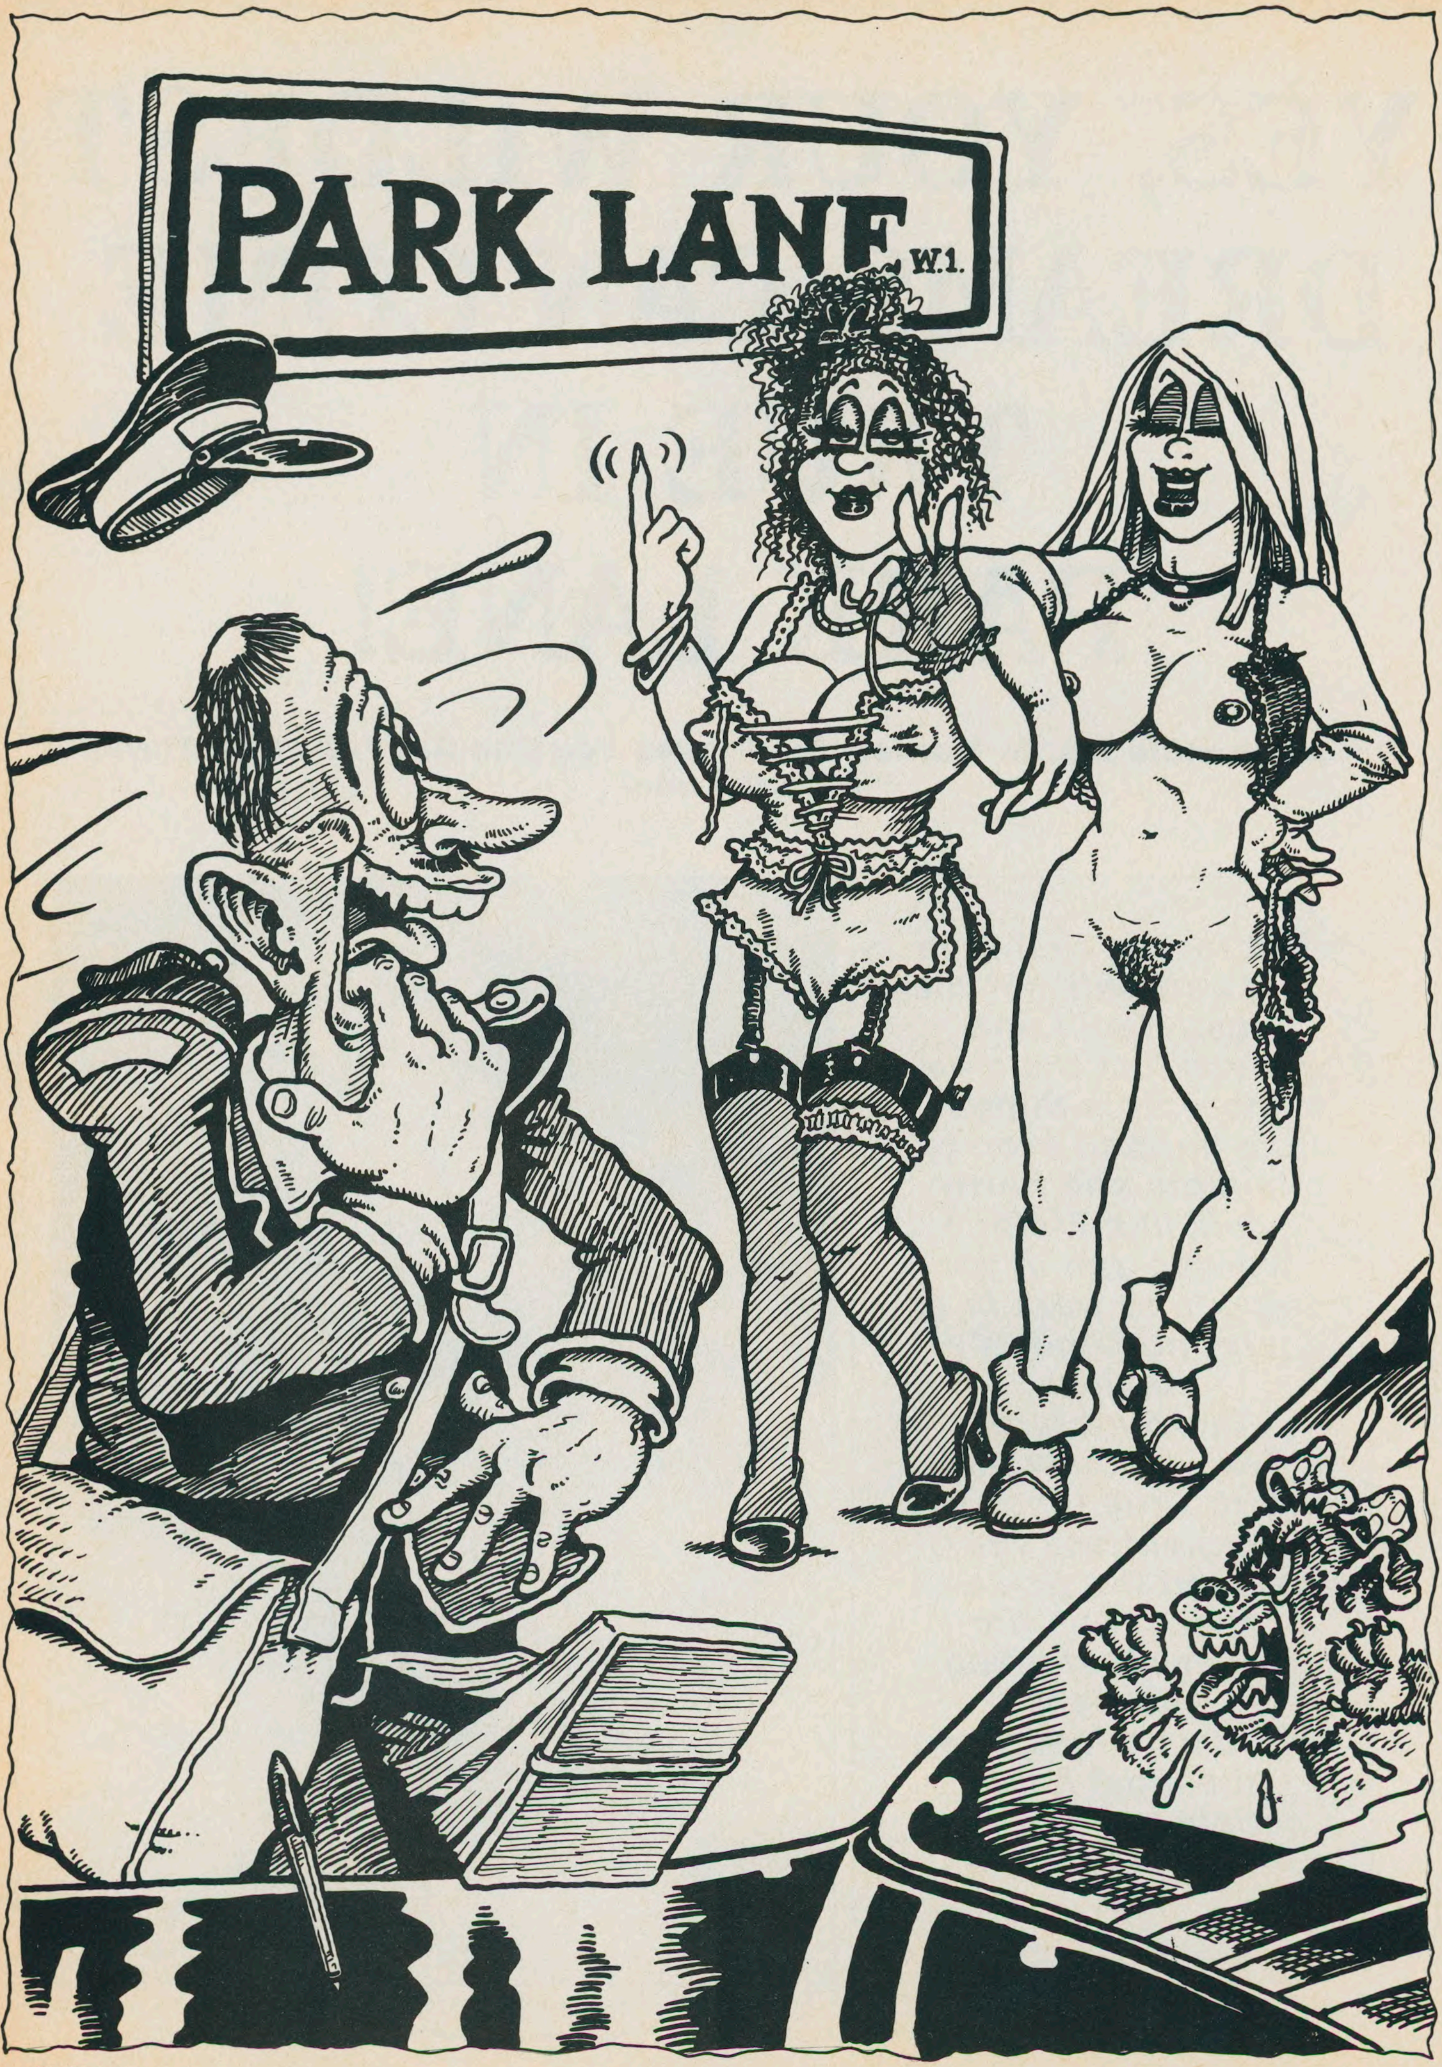
YES, YOUR WILDEST DREAMS CAN COME TRUE IN PARK LANE!

& Here Humble Traffic Warden Jim Proves You Can Get Truly Brill Thrills In Park Lane!

Not for the first time and certainly not the last, Park Lane proves that the most incredible things can happen even to humble and horny folk like Traffic Warden Jim, if you happen to work in or around London's sexiest thoroughfare! Yes, we know that Park Lane tends to concentrate your gaze on the rich and randy, but Jim proves that given the right circumstances, even the most hated people in Park Lane can be lucky in lust...

►



PARK LANE W.1.

What is your ultimate fantasy? Do you dream of winning the football pools, perhaps going to an orgy, or making it with two women at the same time? Perhaps your ultimate fantasy involves travelling round the world visiting all the red light areas of the Far East. We *all* have an ultimate fantasy, but very few people are ever lucky enough to have that fantasy come true.

However, they do come true, some people get lucky, and here we present the *true* story of Jim, who had an ultimate fantasy we are sure is shared by many of our readers.....

Two naked women rolling about on the bed, making it with each other and then turning their attention to me....two beautiful sexy women going down on me and sucking my cock till I come, and then sharing out my cum between them.

Yes, that's the image that flashed through my head as I tramped my beat through the West End of London. As I walked down Oxford Street, Park Lane and then down the side streets booking people for parking in the wrong place, my mind was full of images of two naked women, two *very* sexy and *very* beautiful, naked women...two women who would do anything I asked them to do.

That was my ultimate fantasy, that was what I wanted more than anything else in the whole world. I say *was* my ultimate fantasy, *for one very unusual and lucky day last week, my ultimate fantasy came true.*

'Most of the time I dream about having two women at the same time'

I'm a right bastard, at least that's what I get called about fifty times a day when I hand out parking tickets. To be honest, I don't like doing it, don't like dishing out the parking tickets, but there are four million people out of work, and a job is a job, and I don't dish out the tickets as much as some of the people I work with. Now some of *them* are really right bastards.

I always try and give people a chance before I move them on. But no matter how nice I am to people, they still shout and swear at me.

But, like I said, it is a job and it's better than being on the dole – just.

As I mentioned, most of the time I dream about having two women at the same time. I've had my fair share of sexual pleasure, had some hot times with some very randy girls, but have never been lucky enough to make it with two at the same time. And I have always wanted to see two women, in real life, sucking and slurping away at each other before they turn to me and suck and slurp away at my dong.

So, there I was, that Thursday afternoon, dishing out a few parking tickets at the back of Oxford Street when I heard a scream. I turned round and saw this woman yelling her head off. Running *down* the street towards me was this scruffy looking yob with a handbag in his right hand.

Now I know that just about everyone, including some women, are carrying handbags these days, but this yob just didn't look like the sort. Anyway, the woman was yelling and pointing, and it was obvious the sod had pinched her bag.

Yeah, I've always been quick on the uptake!

I'm not the bravest of people, and you don't want to get involved do you? But I acted without even thinking about it, which was just as well, for the yob was about ten feet tall and built like the old brick shit house.

As he went by me, I stuck out my

WHAT'S TOP TITILLATOR DEB

Cordon blue bra-bender, dishy Debbee Ashby, who's always bursting through the pages of your favourite daily and Sunday newspaper, loves cooking up mouth-watering dishes in her kitchen.

And some of her raunchy recipes do wonders for flat chests, or so it seems, because she's put another *three* inches on those knockout boobs of hers since these Park Lane snaps were taken.

She seems to have a secret formula for enhancing her chestflesh while fighting any flab elsewhere. Maybe it's not her main courses but her sweets - anyway, look in next month's *Park Lane* to see if the proof *is* in the pudding.

In the meantime, if you can't wait to get your teeth into Debbee's whoppers as well as many other outsize British-bred breasts, use the coupon below to order up the unforgettable MEGABOOBS video from Park Lane. It's quite astonishing how this titanic movie *fits* into small home screens and watch your TV sides *stretch* as top-heavy turn-ons galore show off their outsize assets in close-up colour.

It's a truly moving experience for mammary maniacs!

Park Lane's picturetakers were fascinated to lean out of the window of their new and secret West End suite of offices the other day, and see delicious Kissogram girls helping promote saucy new Sunday newspaper, *Sunday Sport*.

It seems London is awash with wild girls, many of them sporting *Sunday Sport's* own sneaky tee-shirt with its message 'I Get It Every Sunday' (Park Lane readers get it *every* day of the week of course, but that's another matter).

We were especially taken with lanky blonde Katey from Manchester (who is also starring in another magazine with a name that has something to do with London's West End) and her mates who'd come all the way down to the Smoke to deliver the good news about this much-talked-about new Sunday treat.

And to make sure Katey and her bosum chums stayed in *Sunday Sport's* good books, we've even included a reservation coupon for this throbbing 30 penn'orth, for you to hand to your newsagent if you haven't yet got the feel of this Sunday morning bluesbreaker!

IT'S WESTWARD HO! FOR COCKNEY KATHY BONIFACE!

Park Lane Next Stop For Bethnal Green Bombshell Kath!

PARK LANE
FREE!

SMASH! goes Kathy

It was *quite* fun airing her shapely top half in so many of your favourite newspapers, says curvaceous 35-24-36 Kathy Boniface, born and bred in Bethnal Green, London E.1.

But the moment she set eyes on *Park Lane* Magazine, this bold blonde knew she had found her 'desired destination' - her spiritual home.

And so that's why this would-be West Ender soon found her way to our off-Park Lane studio to have *all* her come-hither talents aired for the benefit of lucky Park Laners like yourself.

Soon she aims to buy a flat in the district (the Central Line and taxis are all very well, but there's nothing like being on the patch if you like London's West End life) and to that end, she really gives us the low-down on all her luscious assets in this debut for *Park Lane.*

And after this, our Park Lanette Of The Month plans to do it all over again (well, apartments don't come cheap in London's most desirable district) for our sidekick at budget-priced *Parade* Magazine.

So that's where to head between this helping of our Cockney Pride and your next pulsating *Park Lane!*

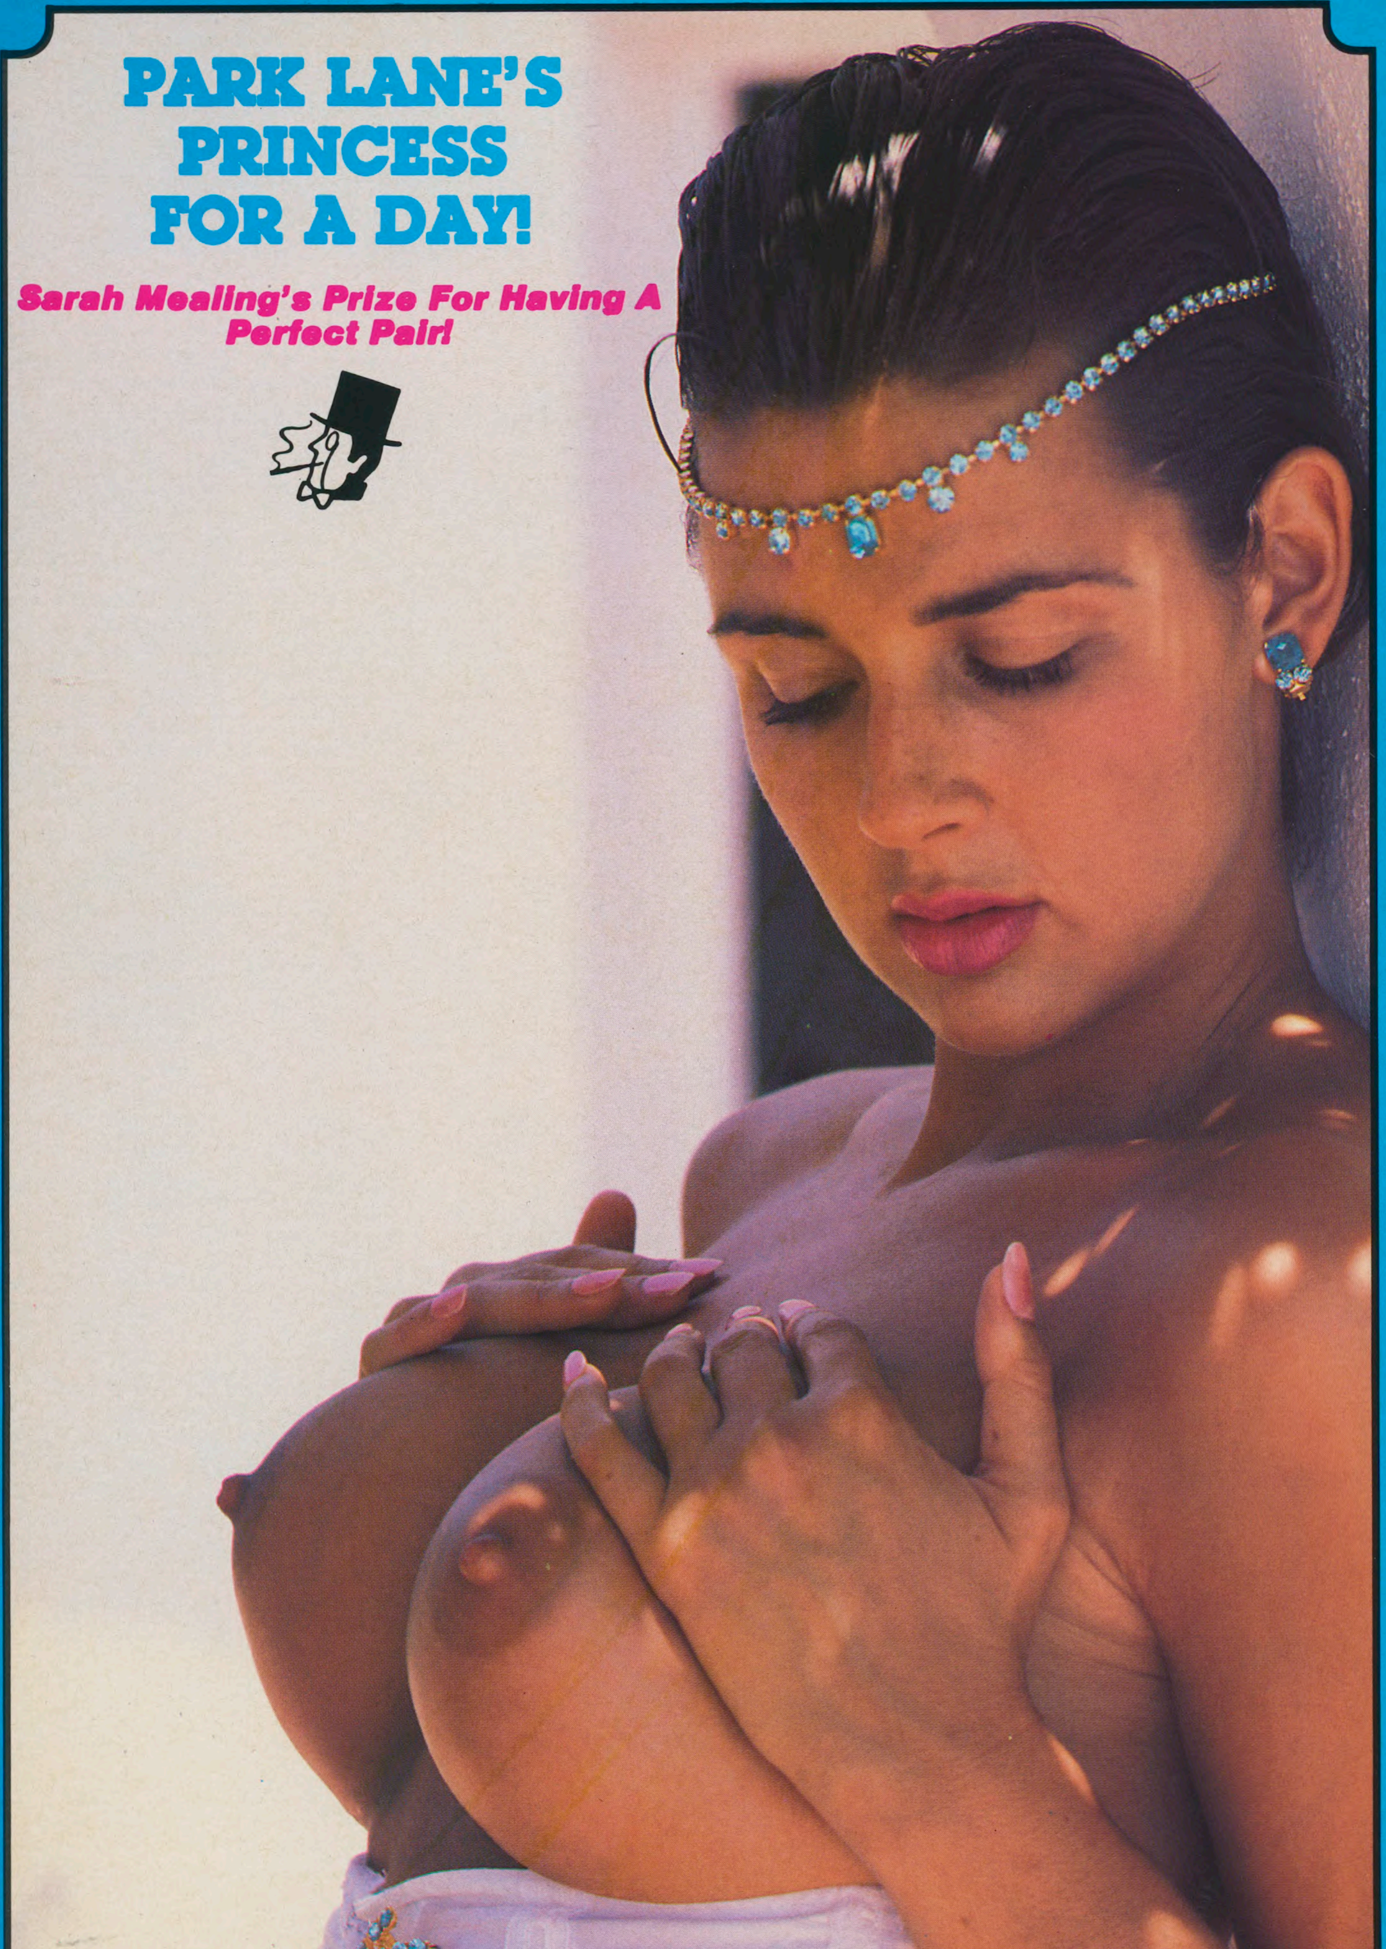
PARK LANE'S PRINCESS FOR A DAY!

Sarah Mealing's Prize For Having A Perfect Pair!



Park Lane's hunt for the perfect boobs goes from strength to strength. Regular Park Lane fans will already know that we report regularly on our search, not for Britain's *biggest* boobs, not for Britain's most overwhelming whoppers, but for titillatory perfection.

And there's no doubt that newspaper knockout Sarah Mealing, as she makes a meal of her thrusting thirtysix inchers, is not *far* off perfect. And who would care if they're man-made *or* given by nature, as you wallow in her silicon valley? *Park Lane* certainly didn't, and that's why we made superbly sensual Sarah Mealing from Kent our Park Lane Princess for a day, with our regal headgear atop this turn-on.

What's more, as you can see in our showcase of nineteen year old Sarah, *Park Lane* never overlooks our Princesses' other assets too. So come and make a meal of *all* Ms Mealing's oh-so-appetising assets!

'This will do us very nicely'

locked. Everyone's gear was obviously safe in those parts. 'Lie down on the back seat,' she ordered me. 'I'll kneel on the floor.'

I did as I was told and got my pants around my ankles. My cock stood up like a tentpole in my tightly-stretched briefs.

'Aren't you going to put the light out?' I asked.

'Certainly not,' replied Amanda haughtily. 'I want to see what I'm doing.'

I raised my arse up from the leather seat as she carefully eased my briefs away.

'My, my,' she breathed as she bared me. 'What a lovely dick!'

I felt very pleased at that. My cock throbbed patiently and gently as Amanda closely inspected my tool like the connoisseur of pricks I reckoned she was.

Eventually, she reached out a hand and grasped hold of my dick. It was sheer magic and I sighed with pleasure. Then, her grip tightened and I watched, fascinated, as her red-taloned hand slid slowly up and down my stiff shaft.

Her other hand appeared from nowhere and cupped my balls. I let out a yelp as she trailed her nails over the sensitive undersides.

'Don't you like that?' she grinned.

'I love it,' I gasped.

Amanda, of course, wasn't the first to give me a hand job. I've had lots of wanks and I look forward to many, many more. But the North Country redhead was clearly a wanker *par excellence*. She was also obviously deriving a great deal of pleasure out of giving *me* a great deal of pleasure.

Her hand went lazily up and down, fully exposing my hard tip until she began to speed up a little. I lay on the long seat, simply revelling in what she was doing to me. The run to Top Crag was just not in my thoughts at all.

'Do you want a tissue?' I asked her, aware that her relentless pumping was soon going to bring forth the desired result – a great gush of spunk.

"Please excuse my husband, but since he gave up smoking he doesn't know what to do with his hands!"

Amanda shook her head, her flowing red mane waving from side to side. 'No, of course not,' she pouted. 'I want to see it all.'

'You're going to,' I panted as the sperm boiled up inside me. 'Here it is!'

Amanda skilfully coaxed it out of me in several long spurts. I let out a cry of ecstasy and she let out a cry of triumph, as though wanking me had been a terrific achievement on her part. It had certainly been a terrific wank and I knew it was going to spoil me for many hand jobs still to come.

I moaned and groaned as Amanda's hand began to finish its work and my tool began to melt. Pools of thick spunk lay on my stomach and my pubic hairs were clogged with the white, sticky stuff.

'There,' cooed the redhead, letting go of my balls and prick. 'Was that nice?'

'Heaven,' I croaked. 'You must let me buy you a drink.'

She went back into the pub whilst I cleaned myself up. I had to sacrifice a brand new handkerchief, but I didn't mind that too much. In fact, I was in half a mind to keep it as a souvenir instead of throwing it away.

It was like walking on air as I returned to the 'Coach & Horses'. I knew our absence had been noted by the abundance of grins and smiles, but I couldn't have cared less.

I bought Amanda a drink and we talked about the Fun Run. I was so tanked up with the potent brew that I felt as if I was actually going to be the first over the finishing line.

Of course, I should have known better. The beer was about a hundred times stronger than the gnat's piss I was used to, and I staggered back to Mike's home across the fields. On the way, I trod in just about every cow turd there was.

'That was one terrific hand job,' I confided in Mike. 'And all for volunteering for the Fun Run. It was the bargain of the year.'

Mike shook his head sagely and laughed. 'You didn't have to volunteer, old mate,' he told me. 'Amanda gives *everyone* a hand job. It's a sort of hobby of hers!'

I felt very fragile the next morning. Despite the fact that Amanda had conned me into entering the race, I felt I had to save face and at least show some enthusiasm for it.

Once my head was cleared, I figured out my strategy. Quite simply, all I had to do was to fall behind and eventually give up. It was only what would be expected of a 'townie' anyway.

Mike kitted me out somehow or other and I thought I cut quite an imposing figure as I lined up at the starting point – the inevitable 'Coach & Horses'.

Amanda was there to act as a starter. She had a pistol in her hand. Obviously she would have been happier with a dick. She fired the gun and suddenly, we were off.

By the time we had left the road and made our way across the fields towards the high ground, I was already last with everyone else strung out well in front of me. There was no sign of Mike at all.

I surprised myself by going a fair distance before starting to feel well and truly knackered. There was certainly no point in my carrying on. The best thing I could do, I reckoned, was to have a kip underneath a stone wall and wait for the runners to come back. I could then join up

'I grabbed hold of her tiny briefs and yanked them down'

'After a few minutes, I speeded up my thrusts'

with them and everyone would think I had finished the course. Clever.

The sound of water came to my ears so straightaway I clambered over a wall to get a drink. I jumped down, narrowly missing a small, brown tent which I simply had not seen when I had started my leap.

'What the fuck's going on out there?' The question was asked in a young, female voice.

'Sorry,' I shouted back, wondering what the owner of the most unladylike voice looked like.

There was the rasping sound of a zip being lowered and then a mop of blonde curls pushed its way out of the opening. Smiling, I got down on all fours to apologise again for nearly demolishing the tent.

The blonde curls jerked upwards and there, before me, was a surprisingly pretty face. The blue eyes quickly looked me over. 'It's one of those runners we saw before, Chris,' she informed another occupant whom I couldn't see.

I had hoped the bird would be on her own. A bit of nooky wouldn't come amiss whilst the rest of the lads were puffing and panting their way to Top Crag and back. Probably Chris was a bloody big Marine or a professional rugby player.

'What are you doing here then, trying to flatten our tent?' she asked.

'I got lost,' I lied.

'Does that mean you're out of the race?' She sounded sympathetic.

'Fraid so,' I sighed forlornly, 'all those months of training have all gone up the spout.'

'What a shame,' she pouted, screwing up her quite pretty features. Then, she broke into a grin. 'I've heard it said that a good hard screw is as good as a five mile run.'

My mouth dropped open. I hadn't expected her to come out with anything like *that.* Maybe she would get Chris to go down to the village for a loaf whilst we did it.

'Are you offering?' I whispered, hoping Chris hadn't overheard.

'That depends,' she grinned.

'Depends on what?' I asked, aware of my tool beginning to expand.

'Depends on how big your dick is,' she chuckled.

By now, my crotch was getting very cramped. My cock was eager to get at the sexy blonde bird, but at the back of my mind was the nagging thought that Chris might come out and evict me from the mountainside. I didn't relish the prospect of being zipped up in a sleeping bag and then tossed off Top Crag. If there was any tossing off to be done, then I wanted Amanda to do it for me.

'Doesn't that depend upon your mate?' I asked her, realising it was the first time I had propositioned a bird in the ridiculous position we were in.

'Chris won't object,' she replied. Then, to my horror, she turned her head to shout inside. 'You won't say 'no' to a length of cock will you, Christine?'

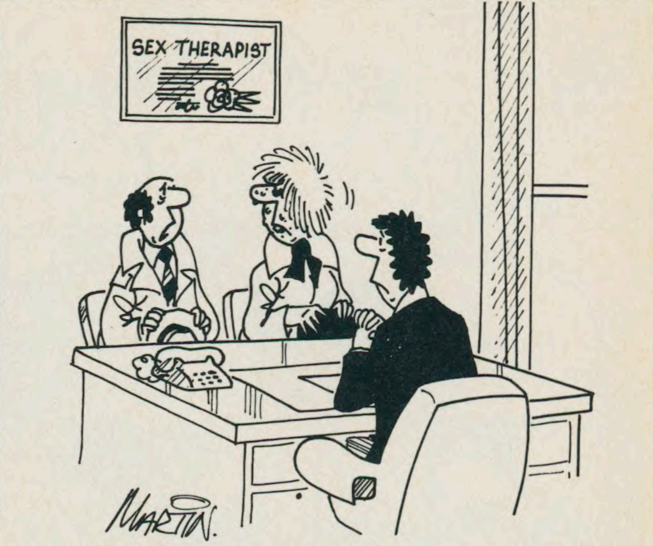
Christine! *Chris*! Of course. It was another bird in there and not a bloke. I was home and dry and my prick was going to be home and wet.

'It depends,' came another young voice from within.

'Depends upon what?' I repeated, somehow knowing what the answer would be.

'It depends what your dick's like,' she called back, predictably.

With that, I whipped down my white shorts. The blonde's eyes instantly focussed upon my flagpole prick trying to burst out of my briefs.



"My problem is premature ejaculation - I never have one!"

'Here. Let me,' she offered quickly.

In a flash, literally, my fully aroused genitals were exposed to her eager gaze. Her face lit up and she whistled in obvious appreciation. 'Wow,' she exclaimed. 'You'll do, Get inside!'

When I got in, I was surprised to see the curly-haired blonde was wearing only a sweater and white panties - probably it was easier moving around like that.

She had wide, meaty thighs and a lot of tit. Those knockers would keep my ears warm if it came to spending the night there.

The bird called Chris was sitting at the back of the tent, in the bell end. She was a slim girl. Her face was oval-shaped with chin-length soft, dark hair.

I couldn't make out any tit beneath her brown sweater. Like her mate, she was bare-legged. They were nice legs, too - slim and long. I could just imagine them being wrapped around my waist.

The blonde introduced herself as Carol. Then, without further ado, she tugged her sweater up and over her head. She was bra-less and her big, weighty tits pointed in different directions as they were freed.

Christine crawled forward to inspect my tool. Her hand reached out and grabbed hold of it.

I gasped, reacting to her touch which was extremely pleasant, but just not quite as thrilling as Amanda's touch.

'This will do us very nicely, Carol,' she told her friend who was clearing a space on top of her sleeping bag. 'Don't bend it too much, I'll use it after you.'

I completed stripping whilst Chris kept hold of my prick, wanking me slowly and gently. Carol lay on her back and watched. 'If that goes off in your hand,' she warned her mate, 'I'll fill your twat with super glue.'

Whether Chris thought her blonde companion would carry out her threat or not, I didn't know, but she stopped wanking me and started to flick my dick up and down and from side to side.

I was amazed at the wonder of finding two dedicated lovers of hot, throbbing cock out there in the wilderness.

'I decided they were two very nice little mouthfuls'

'Get stuck into that,' urged Carol'

However, I was determined to make the most of my good fortune - starting with Carol.

Chris stopped flicking and lay down so that she could have a close-up view of the one-to-one action. There simply wasn't the room in the tiny tent for a threesome.

'We can soak up guys' juice like a sponge,' grinned Carol as I grabbed hold of her tiny briefs and yanked them down. 'I just hope you've got plenty.'

'I've never run short yet,' I told her, looking at the blonde thatch of crinkly hair at the junction of her thighs.

Then, I pushed her legs apart and opened up her sopping love box. I pointed my prick at it and then lowered myself.

She inhaled urgently as I plunged my long, hard cock deep into her.

'Bloody hell!' she gasped. 'You haven't half stretched my poor pussy.'

I lay on top of her warm, soft, lovely body as I screwed her, feeling her large breasts against my bare chest and the nipples poking into my flesh.

After a few minutes, I speeded up my thrusts. Chris stretched out a hand and took hold of my bouncing bollocks. Her sensual touch almost caused me to jump up and bang my head on the ridge pole.

'Give me a seeing-to like there's no tomorrow,' urged Carol, her big blue eyes shining wildly. I raised myself up, my cock still sliding in and out of her and I pulled on her nipples like they were stops on a Wurlitzer organ.

Chris fondled my balls. 'He's coming,' she announced. 'I can tell.'

I was too.

'Blast it into me,' hissed Carol, screwing up her eyes as her own climax approached.

The roar I let out as my sperm sped into the blonde's writhing, bucking body must surely have startled all the sheep on the mountainsides. It's a wonder it didn't start a landslide.

I stuffed as much juice into her as I could before I eased up and withdrew my spent tool.

'That training you did for that race wasn't wasted after all,' she sighed.

'It beats jogging,' I grinned.

Chris inspected my limp length of flesh. 'I'll soon have that up to tonsil-tickling standard,' she smiled at me. She then peeled off her sweater to reveal a pair of pointy breasts with big, rosy-red nipples.

I decided they were two, very nice little mouthfuls, so I started to suck on them as she fondled my tool back towards hardness. Carol joined in too, and the pair of them soon had my cock throbbing and raring to attack the brunette.

She looked at me, her wistful mouth and her huge, dark eyes pleading silently for her to be impaled by my pleasure stick without further messing about.

Chris lay down and lifted her legs so that I could slip off her black, lacy panties. Down they came and she proffered her delectable pubic mound, discreetly fringed by tight, black curls.

'You're going to enjoy this,' Carol told her friend as she herself settled into a good viewing position behind me. She drew up her knees and parted her legs and I viewed her opening, all ready and waiting for me.

'Get stuck into that,' urged Carol, pushing me on top of the slim brunette.

I didn't need any coaxing and I sank my cock into her tight pussy. Chris let out a groan of rapture as she was suddenly pierced. Straightaway, her legs enveloped me, as I had known they would.

I lay on top of her fresh, young body and began to shaft with slow, easy movements. She reached underneath to take hold of my testicles. Chris didn't have much in the way of tit but I toyed with her nipples which were stiff and throbbing.

I didn't hurry at all. It was a long, slow glorious screw. Chris gave me a good ride the whole time and I spurted a big load deep into her. She didn't cry out; she clutched hold of me as she orgasmed and planted kisses on my wet lips.

My dick didn't get much rest that day. It seemed to be in action the whole time I was in the tent, thanks to the girls' capabilities of restoring a wilting cock to full rigidity.

Carol, for instance, wanted a 'doggy-fashion' screw, so I got behind her with my mutton dagger. Her chubby bum cheeks, squirmed, bucked and contracted as I gave it to her. Satisfied again, she collapsed in a heap.

Chris then made me a cuppa and as I sipped the hot brew, she sucked my tool back to a throbbing stiffness. When it was ready for her, she sat astride me and lowered her soaking crotch onto my upstanding meatpole. She gratefully got another load out of me and the juices trickled copiously out of her and down my balls.

They let me go after a couple of 'sixty-nine' sessions, and it was getting dusk as I trudged wearily down to the village.

People were standing about in little groups outside the pub.

'Here he is!' someone shouted as I approached in a drunken like zig-zag.

'Where the hell have you been?' Mike asked angrily. 'We've had search parties out everywhere looking for you. Besides,' he lowered his voice, 'Amanda is frantic with worry. She wants to give you another of her hand job specialities before we go home.'

'No,' I croaked, 'I couldn't.'

'Oh yes, you could,' purred Amanda's voice in my ear.

And my protests went unheeded as she dragged me by the arm towards her Range Rover!

'The previous night she had almost outshafted me'

'Are you wearing your crotchless knickers?' I enquired'

'Celia was an exhibitionist'

doesn't see marriage the way I do – I don't want to – and had been on holiday in Geneva with 'a friend', meaning, of course, another chap.

The object of the exercise was transparently obvious: to get me jealous and make me possessive, as all male cats are supposed to react when the cream isn't automatically poured out in their saucer anymore.

She was coming round that evening, and I felt pleasantly randy, already. Celia had got me quite carried away, but I doubted I would see her again. I knew it would have spoilt things to suggest it. London and the West Country were miles apart. She was a lady Jekyll and Mrs. Hyde, and best kept that way.

But the blue videos arrived some days after her surprise entrance into my life. I felt rather foolish. I have never been a voyeur, much more of a participant, and it was somehow lessé majesté to think of being reduced to getting my kicks from a video.

"Hello, hello, hello..." said my Connie, breezing in, looking lovely and tanned after Geneva. "I've had a super time. We went everywhere and did everything!"

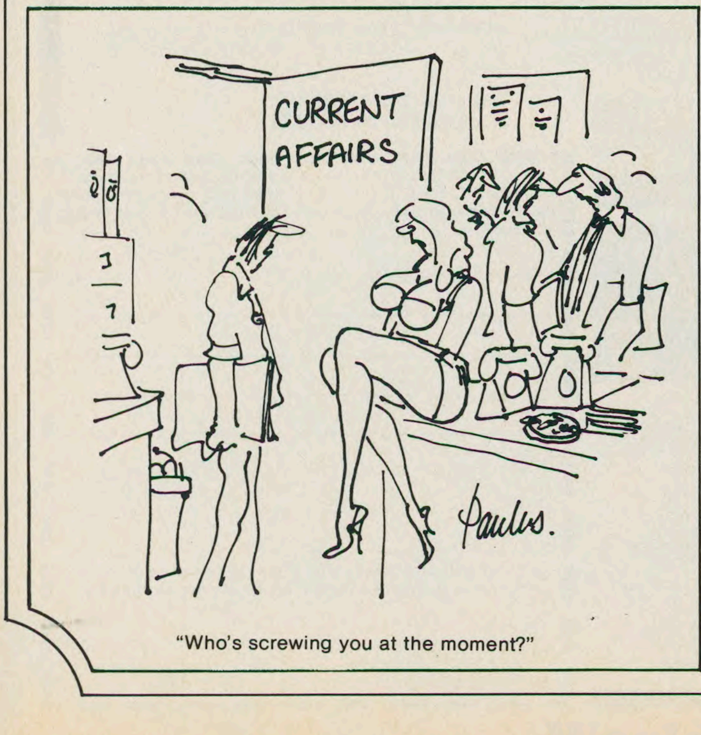
"Marvellous!" I exclaimed. "You should have stayed another week. The weather's been bad here."

"Oh, you didn't miss me then?"

I pretended not to grasp the inference. *"Of course* I missed you, because you weren't here. If you don't miss someone when they are away, they are obviously still here," I said and chuckled.

Connie bridled, checked an angry retort, and said: "Well, I won't ask you what you've been up to. Still tom-catting, I assume?"

"What a lower middle class expression!" I exclaimed. "Really, *Constance*, I must start to choose my friends with care. You know the sort of thing. Go one up to a choose a friend, and one *down* to choose a wife..."



"Who's screwing you at the moment?"

Connie crimsoned. "You bastard! You upper class twit! How dare you?"

"Easy. I just said it!" I retorted.

Connie broke off the verbal engagement and went into the kitchen to cook me her promised (by postcard) *fondue*.

"Oh yes," she said, poking her head round the kitchen door. "There are some videos a local camera crew who were out there took of me on the beach and water-skiing. I've put them with the rest of your tapes. Wait a mo', I'll pop one on. I do look super in my bikini, I must admit."

She put one in, switched on, and waited. The screen flickered, focussed, and there stood a well endowed young guy wearing nothing but an arrogant smirk, showing his penis to camera.

As Connie screeched and drew in her breath I cut in quickly. "So *that's* what you've been doing. Photographing men's parts? How degrading!"

"That's not true!" Connie wailed. "It's not true. I didn't I don't know how it got there. *It's one of yours!*"

"Don't try and shift guilt!" I snapped, swiftly picking up the real video case she had brought back, and pocketing her film.

"Look! *Made in Geneva*...weren't you, ducky!" I sniggered. Connie opened and closed her mouth like a goldfish, but no sound would come out. She had been completely steamrollered into half-believing I was right! "It's a plant. Somebody switched my tapes!" she moaned.

"Oh, balls! What could they possibly want with a tape of you in a bikini, water skiing? That's not even a turn on at the tennis club!" I went on.

Connie stood baffled and beaten, her shoulders heaving with cold rage. The man on the video then leapt on a bed where a camera zoomed into a blonde quim. "Ah," I said triumphantly. "Now I see!"

"No," shouted Connie dashing at the set and trying to turn it off. I restrained her as Celia's face, covered with a pussy cat mask turned towards camera, making oral love to the well endowed man. "You can't fool *me*!" I stormed. "Wearing a mask can't hide that body. I'd know it anywhere."

Connie picked up her things and ran out of the flat in hysterics. I let her go. A little more stage rage wouldn't do any harm on my part.

The next day I had a telephone call. A broken voice said: "Darling, I'm sorry. I don't what what you'll think of me. I *did* do those bikini beach and water-ski shots, as well as same others but by ill luck seem to have mixed them up."

Now I was dumbfounded. Connie was lying. I knew she was lying. *She* knew she was lying, yet she thought I believed she had been the girl in the blue movie. Her next lines gave me the clue. "Darling, we may have had our ups and downs, but I don't want to lose you..."

So that was it! The gambler's last desperate throw of the dice. Confession is good for the soul. Publish and be damned! I allowed myself to be mollified, because seeing the blue film through had made me very randy. Connie came round. I picked her up, took her to bed and gave her the biggest seeing-to any mare's ever had since my

'I had not one but two shady ladies who liked becoming video whores'

'Connie arrived looking very horny'

'Connie stripped off very quickly and we grabbed each other with relish'

grandfather thrashed his hunter for refusing the last fence in the local Point to Point!

Connie left deliriously happy with the lovelights in her eyes. She was usually terrific between the sheets. The previous night she had almost outshafted me.

A little later the 'phone rang. "Hello. It's me, Celia. I'm in London again for a thousand good reasons and all of them money. Can I come round and see you?"

"Are you wearing your crotchless knickers?" I enquired.

"I could be. And they're red with black piping this week."

"Won't you be, er, *tired* after a day's work?" I muttered.

"Not at all. I'll be glowing with desire, especially for you, darling," Celia replied, warmly.

Celia chose to dress in the sheerest black negligée as we went into the bedroom, with black stockings, suspenders, and red garters, wearing a tiny heart-shaped G-string.

"I always fuck the best in this," she murmured, advancing towards me. I thought I would start getting past it in my forties, but I was a reborn 21 year old the moment I touched her smooth flesh, and felt the first touch of her silken knee on my cock.

Celia was an exhibitionist, and I loved making love to her with the light on – loved that rubbing of the garter fast against my ears as she came buckets, and shrieked and shouted.

We knew it would become a lasting attachment – one that would be tremendously convenient for us both.

"You don't know how I enjoy going back home to be the chaste wife as much as being the chased tart in naughty video studios, darling," she cooed, fixing me with those grey wide orbs.

"Oh, yes I do," I murmured, crushing her lips against mine.

In the morning after breakfast I took her to Paddington to catch the nine o'clock, and settled her in the first class dining car on the Super 125, giving the manager £30 and telling him I wanted nothing but the best food and wine for Madame and that he could keep the change.

"Well, see you next month then, Celia," I chuckled, lovingly, bending down and giving her a long, simmering kiss on those soft lips to which she responded in kind.

"Ah, wait a minute..." Celia suddenly said, stood up and got down her travelling bag. "Here, take these. I'm sorry I didn't get them to you before."

"What are they?"

"My videos," she replied.

On the platform I stood still. For the first time I had first seen my sister without any clothes on when I was little I was genuinely shocked. *So Connie had been telling the truth!*

I had not one but two shady ladies who liked becoming video whores every now and then. And both of them impeccable, convent-educated, butter wouldn't melt in their mouths, young ladies of the middle class!

I put on the two videos. Celia and Connie were not unalike. And they both put everything into their screen screwing.

I was amazed at just how earthy they could be when they were with studs on the job. I realised how most women suited their bed behaviour to the type of man they were with.

I picked up the 'phone and dialled. Connie answered. "I want you to come over here, you cow, and give me everything you gave the man in the film!" I hissed. "Otherwise I'll spank you!"

Connie arrived looking very horny. "Let's go to bed and not try clever quips, shall we?" she murmured, as I grasped her close and felt her crotch thrust against my weapon.

Connie stripped off very quickly and we grabbed each other with relish. "I think we've got a much better sex life now you know that I've done a blue film don't you?" she gasped.

"Yeah," I gasped back, in mid orgasm.

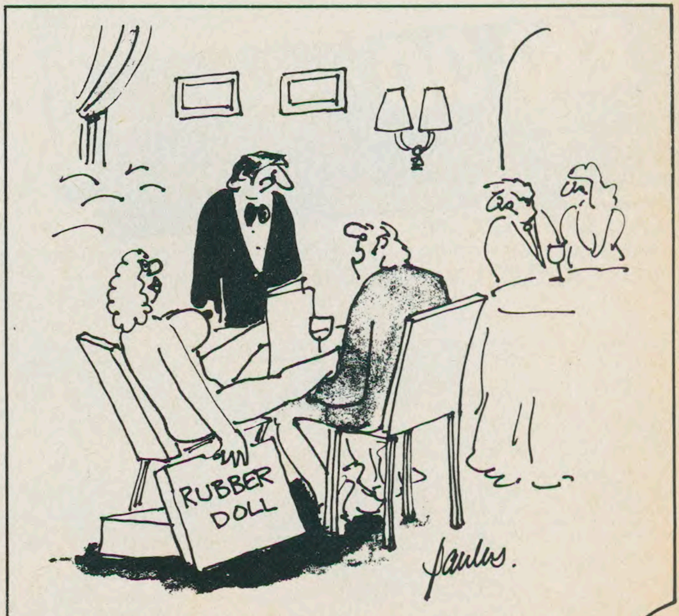
"I know...let's play the tape," she said. "It turns me on so."

"Me, too," I agreed.

Naked, in each other's arms we relaxed on top of the bed and waited. The screen flickered and there, in all her lovely naked glory, was Celia! Standing up, legs apart, feeling herself and taking one sticky finger up to lick in her mouth...

I made my excuses and left at speed.

"Yes, sir" said the clerk at the hotel across the road. "We do have a single room for one night..."



"What do you mean, she'll have to go? I've brought her here for a blow-out!"

YES, YOUR WILDEST DREAMS CAN COME TRUE IN PARK LANE!

foot, and he went sprawling, and the handbag sort of shot up in the air. Again, without thinking, I just put out my hands and caught the bag.

The yob got up, was just about to take a swing at me when a copper came strolling round the corner. The yob snarled, and took off at a fair old gallop.

The Old Bill took off after the would-be mugger, and the woman was standing in front of me, breathless and panting.

Now all this had just taken a few seconds, and I'd tripped the yob without even thinking. Like I said, I'm no hero and if I'd thought about it I'd most likely have turned the other way...

"Oh, thank you, *thank you*," said the bird.

"Weren't nothing," I told her.

"I'd just drawn a lot of money from the bank," she said. "That wrtech must have followed me from the bank and..."

She talked on like that, and I looked at her, and I really did like what I saw.

She must have been about twenty three or four, about five foot three, and her smile was sexy. Her eyes were deep blue and welcoming, and her mouth was the sort of mouth that you dream about.

"...must thank you in some way," she said.

"You don't owe me," I said.

"But I *do*."

"No," I said, and turned to go. She grabbed my arm and pulled me round.

"I insist," she said. "Look, I won't insult you by offering you money. But if you come round to my place this evening I'll cook you a meal, or open some champagne."

'Candy and I are lovers,' said Helen'

That I wasn't going to turn down. I asked her for the address and she fiddled about in her handbag and then gave me a card. It said '*Candy – Model*' and gave an address not far from where we were.

"What sort of model?" I asked.

"Sexy nude model!" she said, and smiled and then walked away. As she went she called back over her shoulder: "About eight this evening, I'll be expecting you."

So, I was now going to have dinner with a very lovely woman who turned out to be a nude model. Well, like the man said, some days are better than others...

When she opened the door to me, she was wearing a low cut blue evening dress – so low that I could see most of her firm breasts and even a hint of pink nipple!

"I'm so glad you came," she said. "If that man had got away with my bag, I don't know what I would have done."

She showed me into the dining room, and that was when my mouth opened in surprise. The room was large, with a good solid looking dining table, set with plates and things, and there was a nude painting of Candy on one wall.

But what really took me aback was the fact that there was another girl sitting at the table – a girl as lovely as Candy, a girl with dark hair and wearing a white see-through blouse and a black skirt. And what I could see through that blouse made the old dong start to get hard in the Y-Fronts.

This is Helen, my flatmate," said Candy. "You two have a chat while I see how the dinner is getting along."

Candy vanished into the kitchen, and I sat at the table with Helen. We chatted. She talking about how very grateful she was I had helped Candy; and me talking about how it was nothing and how I'd been pleased to help, and all the time staring at the front of her see-through blouse at her ripe breasts and their stiff nipples. Yes, they *were* stiff.

Dinner was just about perfect, and the two girls were nice and relaxing to talk to. Over dinner there wasn't a single hint of what was to come...

It was at the coffee stage that Candy revealed that Helen was also a nude model. She suddenly produced a book from somewhere, a book filled with pictures of Candy and Helen in nude duo poses – and some of those duo poses were very hot.

"Candy and I are lovers," said Helen, suddenly.

"Oh," I said, and there must have been a trace of annoyance in my voice.

"We're only *bisexual* – not lesbian," said Candy.

"Ah, I see," I replied, and felt my prick getting hot and hard and throbbing from looking at these sexy pictures. Well, *your* cock would have got hard if you'd seen pictures of Candy with her tongue all the way up, inside Helen's pussy.

'Helen lay back on the sheets with her legs wide apart'

"And that brings me to the second part of the dinner," said Candy. "Would you like to eat something else?"

"I'm very full," I said.

"She is talking about her pussy," said Helen, a smile on her face.

"What?"

"My pussy," said Candy. "Would you like to eat it?"

"Suck it," said Helen.

"And slurp it," added Candy.

"I..but...I..." was all I could get out. Well, it isn't *every* day you get an invitation like that and I was lost for words.

"In fact, as it was our *joint* money you saved today and I'm not talking about drugs," said Helen. "You can suck us both, or we will suck you. We feel that sex is a nice way of saying 'thank you' for what you have done."

Then it flashed through my mind that my ultimate fantasy was about to come true, and I just couldn't believe how lucky I was.

"Come on," said Candy, taking me by the hand. "Let's go into the bedroom and have some real fun."

The bed was huge, pink sheets, white pillows, and the lighting was low and the music was soft, and as the two girls started to undress me I suddenly realised that this was for real, this wasn't a dream, and my prick *really* started to jerk.

"Would you do something for me?" I asked.

"Name it and it's yours," said Helen.

I explained about my fantasy about seeing two women suck each other and then those two women turning to me and sucking my cock and sharing out my cum between them.

"We will make that come true," said Candy, and when she said that she pulled down my pants, and both girls stepped back and ►

Then they got undressed, and that is where I almost shot my load there and then. They were both really fantastic, and both of them had boobs and pussies that were out of this world.

Candy had little pouting pussy lips that peeped from her trimmed down pubic hair; but Helen had these huge floppy dangling wet pussy lips, and a thick bush of hair.

The contrast was amazing, and like I said, the sight was so good that I almost came right there and then, just looking at them.

I sat on the edge of the bed and the two naked girls gave me an exhibition the like of which I will never forget.

They held each other close and kissed, breasts pressed against breasts, damp pussy rubbing against damp pussy.

Then Helen lay back on the sheets with her legs wide apart, and Candy used her fingers and parted her pussy lips and invited me to have a look, which I did.

And staring into Helen's wide open pussy didn't exactly make me go limp, I can tell you.

Then part of my fantasy came true as Candy lowered her head and then started to flick her tongue in and out of Helen's pussy.

'Soon Helen was moaning with bliss'

Soon Helen was moaning with bliss and the subtle scent of her pussy juices and perfume wafted round the room.

Then there was a loud slurping sound as Candy really got down to work. That was when Helen shouted, that was when Helen's entire body shuddered as an orgasm powered its way through her.

Then Candy moved up the bed, and it was a real turn on to see her crouch over Helen's face.

It was an even bigger turn on to see drops of Candy's pussy cream dripping down onto Helen's smiling face.

Then the next part of my ultimate sexual fantasy came true, for Candy suddenly flopped forward, and this meant that the two naked girls were now in the sixty-nine position.

The sound of slurping tongues filled the room, and I walked round the bed, peered down, bent down, leaned over, and watched every single detail of what those two naked girls were doing to each other, as they sucked each other to orgasm after orgasm.

Of course, watching this was making my prick get bigger and harder and stiffer by the second until in the end I had the biggest erection of my life.

Finally they pulled apart. Candy licked some pussy juice from her lips.

"Now we suck you," she said.

I was flat on my back on the bed as the next part of my ultimate fantasy came true...flat on my back, my cock straining, and sticking up in the air, throbbing and hard and hot, with two naked girls bending over me.

►

YES, YOUR WILDEST DREAMS CAN COME TRUE IN PARK LANE!

Candy's tongue flicked at the head of my penis and waves of pleasure rippled through me. Then a moan of delight escaped from my lips as I felt Helen's tongue run down my shaft and lick at my balls.

Putting feelings of sheer and absolute delight into words isn't easy. How can you really explain the sheer bliss of two fluttering tongues working on your cock at the same time?

Both girls were very good at what they were doing. They worked well together, didn't get in each other's way, and their tongues worked *all* the time, never stopping.

Then Candy slowly drew the head of my hot cock into her mouth, and started to run the head of my glans round the inside of her cheeks.

At this stage Helen was using her fingers on my balls and the tip of her tongue was lapping quite hard at the base of my shaft.

My penis soon went deeper into Candy's mouth, and then I gave a gasp of surprise when I realised that for the very first time in my life I was having some of that 'deep throat' technique people talk about.

My glans was down inside her throat! She had taken me that far down, and as her throat muscles rippled over my knob head Helen was now sucking gently at my balls.

'I had never felt anything like this before'

I had never felt anything like this before – and it was better than in my dreams. Helen really was trying to cram my balls into her mouth, and Candy seemed to be doing her best to take as much of my cock as possible right down her throat.

It was incredible – it felt as if my cock was being turned inside out.

The blood pounded through my body, and I was shouting with sheer pleasure.

Candy eventually removed my cock from her mouth, and now she was rubbing my sticky glans over her face, even through her hair.

Helen had stopped licking for a moment, getting her breath back so to speak, and then they both carried on by taking it in turns to suck me.

Candy sucked and licked at my balls while Helen took my knob just inside her mouth and sucked hard. Then she handed over, and Candy sucked at my glans while *Helen* worked away on my balls.

It was obvious that they were both now working for a finish. And indeed, as they changed over, Helen looked at me and said that they were both dying to find out how good my cum tasted.

They didn't have to wait very long to find out. In fact, to be honest, I was amazed that I had lasted *that* long. I was rather pleased that I'd managed to hold out as long as I had – pleased and proud.

'Then came the highlight of my sexual fantasy turned reality'

Then came the highlight of my sexual fantasy turned reality. In my dream I had had specific 'things', and this next part was the last specific item in my fantasy come true: the two girls shared out my cum between them.

Candy had my prick inside her mouth and sucked really hard. My balls went tight and my body shook and I shouted with glee as I ejaculated. My sperm rushed up my shaft and erupted in thick waves inside Candy's sucking mouth.

I could tell from the look in her eyes that she loved what she was getting. And from the way her body shook it was obvious she reached a kind of climax as my cum went into her mouth.

I was so worked up, that I was shooting out vast amounts of the stuff. Candy sucked and swallowed, sucked some more, drank down some more, and then quickly removed my cock from her mouth, shooting a little cum over her chin as she did so. Then she handed my cock to Helen who, very quickly, popped it into her mouth.

Just had to be the biggest turn-on of all time to see that happen: Candy licking her lips, Helen sucking cock and taking down her throat *her* share of my hot cum.

'She drew out all I had, did Helen'

She drew out all I had, did Helen. She took every last remaining drop of my cum into her mouth, and when she had finished, when she had let my prick slip from her mouth, she had a very self-satisfied look on her face – just like a cat when it has had some well deserved cream.

"That was fabulous," I said.

"You tasted great," said Helen.

"I want more," said Candy.

"Then wipe your chin," said Helen.

Candy wiped her chin with her fingers and then licked her fingers, sighed with pleasure and then said: "But I still want *more*."

"You'll have to wait a little while," I said, pointing at my limp penis.

"Oh, we'll wait," said Helen. "We have plenty of time."

"Yes, lots of time," agreed Candy.

"We both want to be fucked," said Helen.

"That's for sure," nodded Candy.

"You have such a nice cock," observed Helen. "I can't wait to find out what it will feel like inside me."

"I'm sure it will feel great, just great," said Candy, and she reached out and ran the tips of her fingers all over my limp penis.

Everything else wasn't exactly an anti-climax, but the main part of my fantasy had now come true – to see two women suck each other and then to have them suck me.

But, as you know, when something you have badly wanted for a very long time suddenly turns into a reality, everything else that follows is a *slight* let down.

But I still enjoyed every single thing that happened during the rest of that night. I bet that any man in the country would have given anything to have been able to change places with me that night.

I watched the two girls getting it together with tongues and fingers while waiting for my cock to recover. And later they licked and sucked me and got me really hard. Then they took it in turns to fuck me. I did say fuck *me*, for they did all the work.

'Candy was now sitting on my face'

There I was, flat on my back, Helen sitting on my face, and Candy sitting on my cock. Yes, I had my tongue all the way up inside Helen's soaking wet and very juicy pussy, while Candy, sexy little Candy, moved up and down on my hard prick.

After a while they changed ends. Candy was now sitting on my face, and I was lapping away at her fine tasting pussy, while Helen was moving her very tight pussy up and down on my throbbing tool.

They kept changing places, stopping every now and then to kiss each other, or kiss me, and then they would get back to work with one of them sitting on my face, the other sitting on my cock.

It was an experience I will never forget, and those two women also seemed to enjoy it – at least going by the number of orgasms they both had they really did love it.

Candy was sitting on my penis when I finally shot my second load, and her yell of pleasure was so loud she could have been heard a mile away.

She sat there and took all my hot cum into her pussy – sat there and rippled her pussy walls up and down my cock to make sure she got every last drop from me. Then she slowly rolled off.

I lay there until all of a sudden, Helen flopped forward so that she and I were in the '69' position with her lapping at my wet and sticky cock, now going limp.

That hadn't been in my ultimate fantasy dream, but it was a fabulous thing to experience. Not just because of what she was doing, but the extra turn-on for me was the fact that she was sucking my cock after it had been...well, you all know where it had just been.

I never thought that my ultimate fantasy would ever come true. But it did, and it goes to show that for an ordinary bloke in the street, like me, like *you*, there is always a chance that something nice and sexy will come along out of the blue.

Next time round, Park Laners, hear another true story of how one humble chap's sexual ultimate fantasy really did come true.

Park Lane's 'Maids & Mistresses' Present:

LUCINDA & HER CHUM ARE MISTRESSES NOW, THANKS TO PARK LANE!

►

Both Leggy Lucinda and her national newspaper, topless model chum Gayle have done stints as chambermaids and barmaids in West End establishments, and that's how they qualify to be in Park Lane's 'Maids & Mistresses' slot, where we showcase the most sensational 'below stairs' beauties – as we also do in our 'Upstairs & Downstairs' showcase (Park Laners can't get too much of a good thing!)

So why do you ask, are lovely Lucinda and Gayle sunning themselves in lush subtropical locations at this time of the year, and not changing bedclothes or hoovering carpets?

That's because they chanced their arm (and the rest of their lovely bodies) in *Park Lane's* on-going £5000 Hunt-A-Model contest, run in conjunction with our chums at budget-priced 95p *Parade* Magazine.

They've earned big-bucks simply by doing what comes naturally, and so it's no more dusting and hoovering for them. Come the cold weather, it's off sun-chasing.

Naturally they take their boyfriends with them as a 'thank you' for persuading them to have a go in our Hunt-A-Model contest with, as we said, a £5000 kitty that's always being topped up.

So if the lady in your life fancies the good life, why not encourage her to post off the without-obligation tear-slip in Lucinda and her lovely sidekick's cavalcade?

If she ends up as one of the lucky jetsetting model set, you could well end up sharing her good times too!

I DON'T WANT TO SHIVER THROUGH ANOTHER BRITISH WINTER, PARK LANE

'UPSTAIRS & DOWNSTAIRS IN PARK LANE' PRESENTS:

DUBLIN'S CHEEKY NOLA IN FORBIDDEN TERRITORY!

Park Lane loves discovering talent skivvying away in the bowels of upper-crust Park Lane establishments - and then proving that the talent 'below-stairs' can look just as sleek and sensational as the rich and famous folk who patronise Park Lane hotels and other mega-costly establishments.

Here, for instance is Dublin-born chambermaid Nola who proves, after *Park Lane's* cunning cosmeticians had got to work on those erotic Emerald Isle bred 37-25-38 talents of hers, that she could hold her chambermaid's head up high anywhere.

Having made this choice and chesty chambermaid looks look *luscious,* we then smuggled her into one of those suites in the hotel where she toils, and took these truly tantalising snaps.

What a turn-on transformation! And now Nola plans to put that life of drudgery behind her, and become a *full*-time glamour star.

For a start we've steered this curvaceous 19 year old colleen in the direction of our stablemate, *Adult Fantasy* Magazine, because they love telling their readers about girls who've come from nowhere, whose own fantasies have become reality.

So if you fancy chewing over this oh-so-chewable ex-chambermaid all over again, use the coupon nearby to remind your newsagent to get hold of *Adult Fantasy* for you. It could well make your own secret erotic fantasies come true too!

I'VE ENJOYED PARK LANE, SO NOW MAKE MY FANTASIES COME TRUE, MR NEWSAGENT

Please reserve *Adult Fantasy* Magazine for me from the next issue available. You can get hold of this where you get *Park Lane* Magazine. I enclose only £1.20 for my first taste of picture-packed *Adult Fantasy.*

I am 18 years or over.

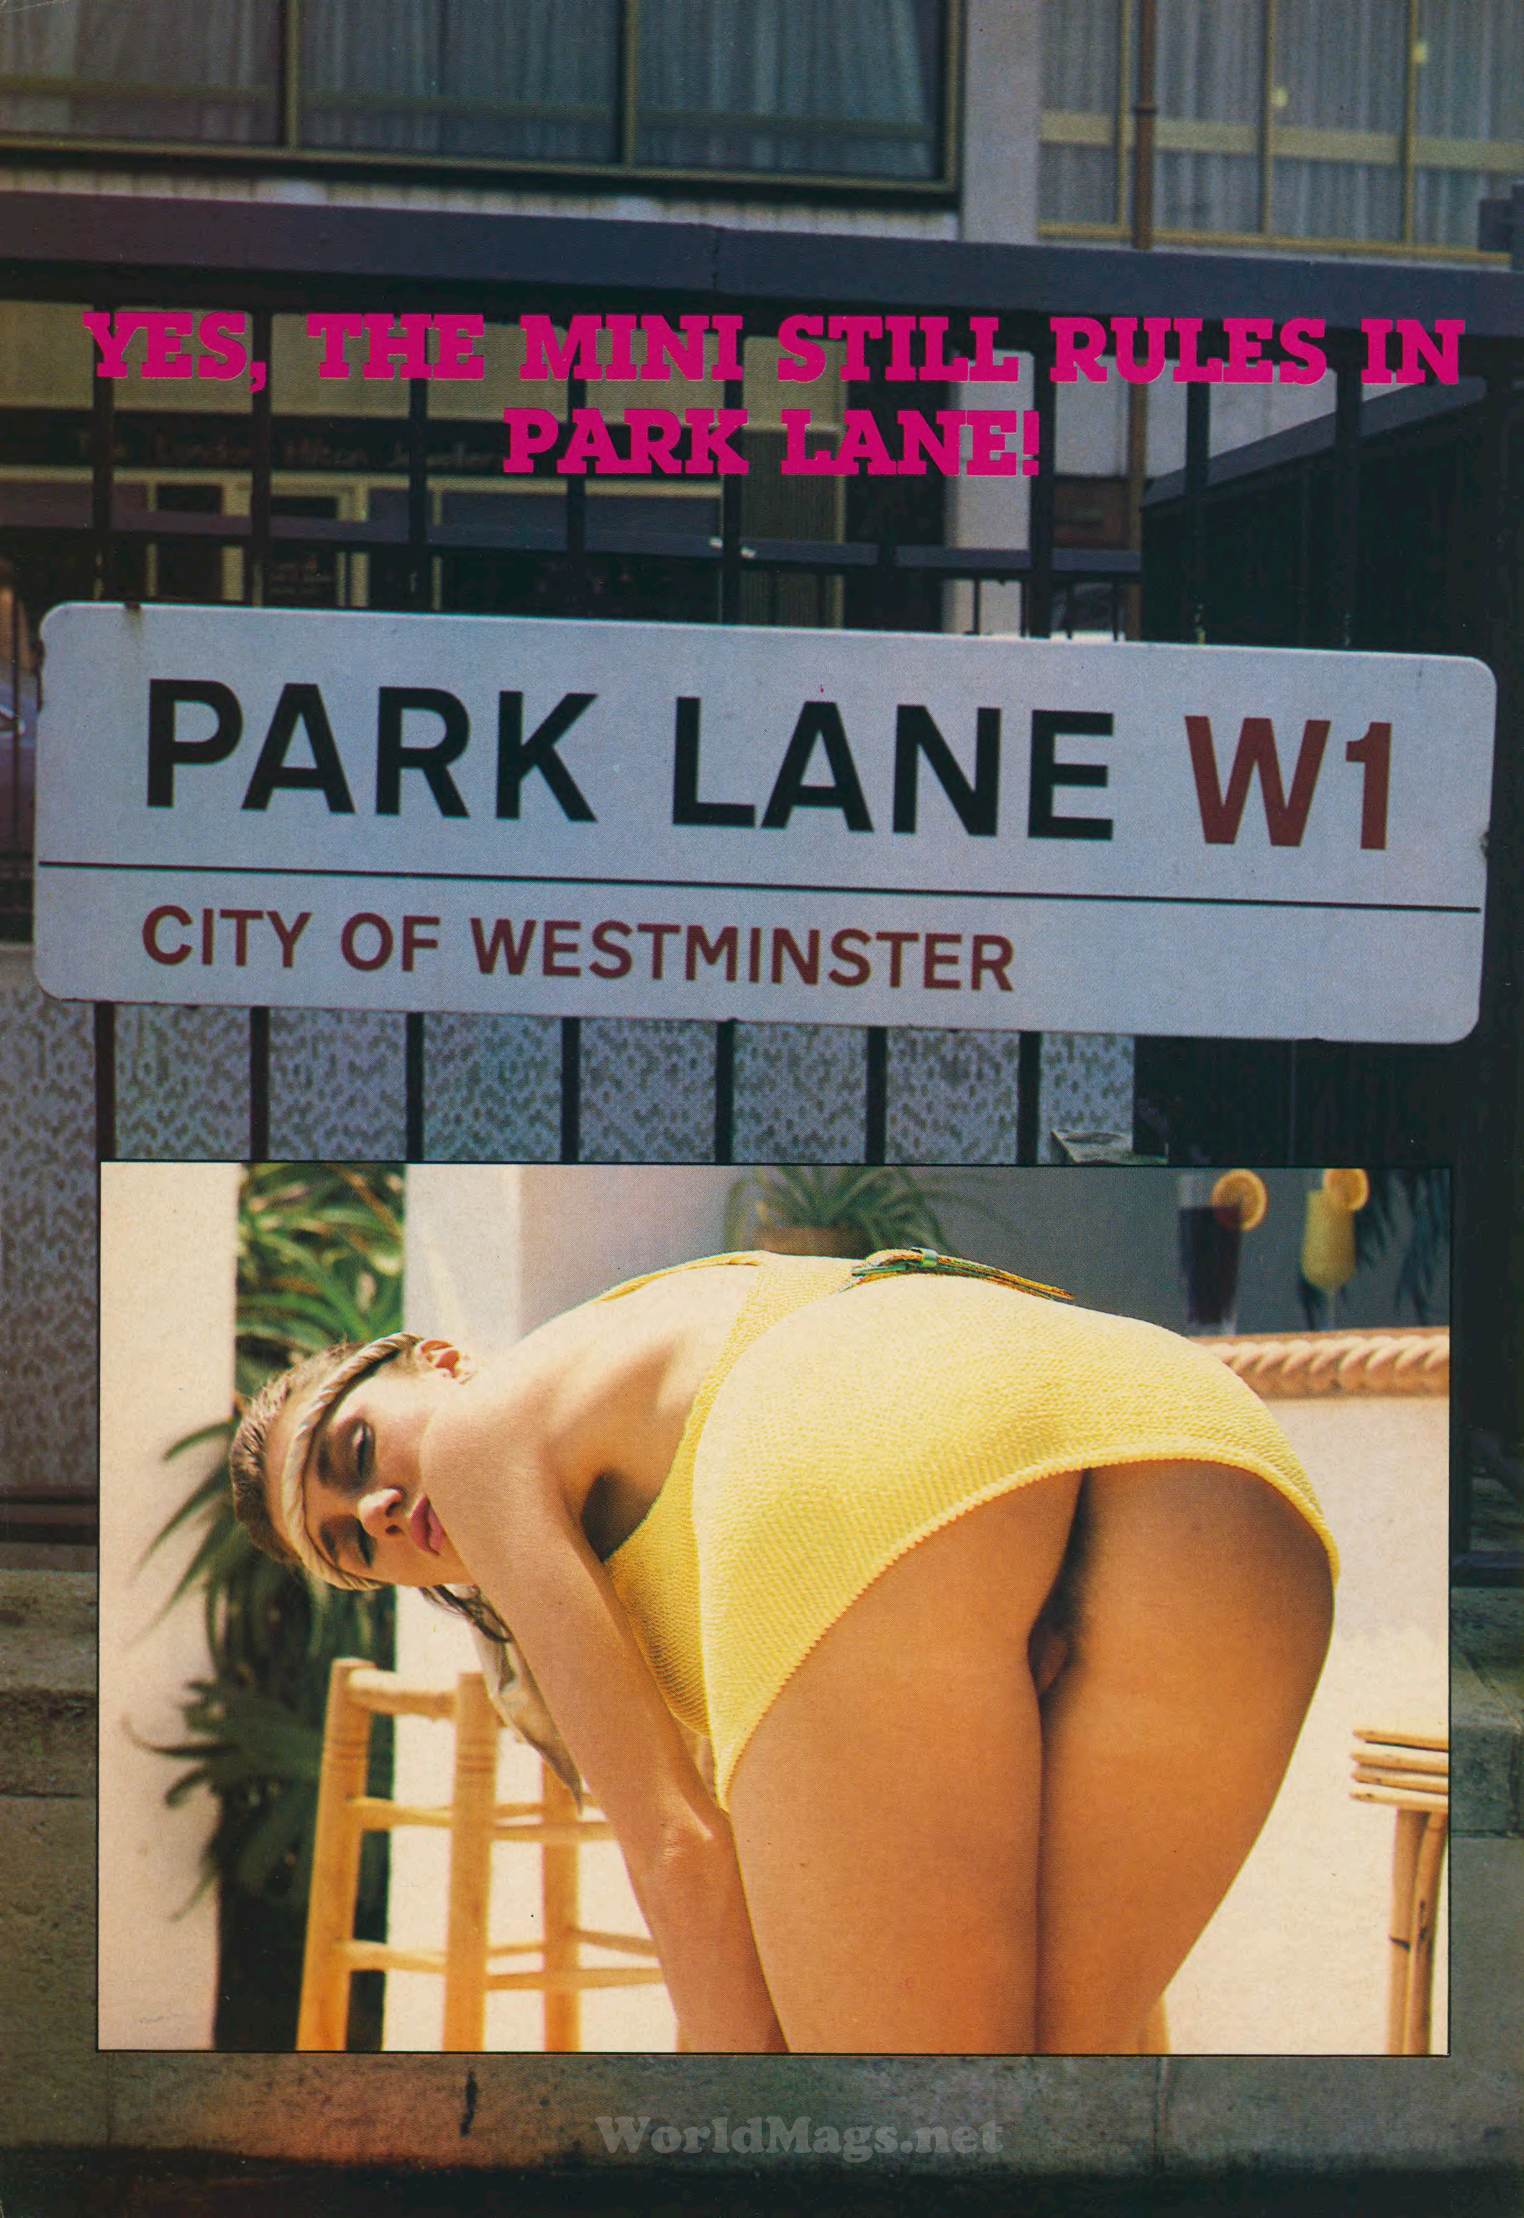
YES, THE MINI STILL RULES IN PARK LANE!



PARK LANE W1
CITY OF WESTMINSTER

Girls' fashions may come and go, but as far as Park Lane's concerned, the minidress and the miniskirt are immortal.

And from this issue onwards we plan there should be at least several pages in every *Park Lane* devoted to the worship of the mini- and the micro-skirt.

To kick off with this regular bonus for mature skirt-fanciers, here comes far-from-mellow-yellow Miranda, whose boyfriend never permits her to wear anything else what with those lovely long legs of hers that demand regular airings.

He loves promenading her along Park Lane and watching the cars and buses bump into each other's rear ends, as magnificent Miranda diverts their gaze from the job in hand!

And when the weather's right, Miranda's guy plans to give Park Lane's drivers an extra perk, when Miranda goes *topless*.

In the meantime, relish Miranda's little yellow number which she first aired on a recent Mediterranean holiday (the natives are still recovering!) and then make sure you never *ever* miss any upcoming *Park Lanes* if you're into miniskirts like we are.

MEANWHILE, ONE HUNDRED FEET ABOVE THE FUMES OF PARK LANE, ON ONE OF THOSE RARE SUMMER DAYS...

Any Londoner whose travels take him to Park Lane during the day must wonder what all the fuss is about, as he trudges along, choking on the traffic fumes and hearing the relentless sound of car horns sat on by frustrated motorists in its 24 hour traffic jam.

But if only you knew how good life could be one hundred feet up above that misery - for the wealthy and wanton, of course.

Take for example, Arab's plaything Paulette here, who actually managed to get a tan in England last summer, sunning her in's-and-out's in the penthouse garden created by her oil-rich benefactor. Yes, up there above the fumes and muck mini-paradises are created, regardless of expense, by the lucky and the rich. And every month *Park Lane* Magazine can give you a passport to meet lovely girls who benefit from them, like frolicsome Frenchie Paulette here.

So, come and enjoy the high-life with *Park Lane* every month from this moment on. All you pay is 120 pence for goodies like gorgeous Paulette with those oh-so-edible 38 inchers of hers.

Simply hand the coupon in Paulette's picture section to your newsagent today, and let some sexy sunshine into *your* life from this moment on.
